

## Membership Application

Thank you for your membership enquiry. We trust that your practice here will continue to grow along with your own personal development. It is in this latter area that this Association can assist. The CAA is the only recognised professional Association for Chiropractors in Australia and was formed in 1990 from a merger between the previous two well-established Chiropractic Associations. This State Association has serviced its members well over the past 20 years and looks forward to possibly welcoming you as a member shortly. In this regard we enclose an application form and encourage your consideration of membership of the CAA (SA) Ltd, which is currently supported by the majority of registered Chiropractors in this State.

Requirements pertaining to your application to the Association are:

- Two (2) passport type photographs
- A copy of your Educational Certificates
- Confirmation of your PI insurance

Please ensure that these requirements accompany your application and that all sections of the application are completed. An incorrect application may have to be rejected. Please also note that the proposer should be a current C.A.A. member.

Various membership categories have been established within the CAA to enable practical and affordable alternatives. Section B of the membership application form addresses the categories available and detailed requirements for eligibility can be obtained by contacting the SA Executive Officer.

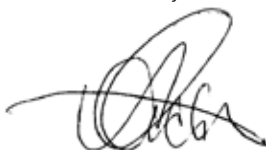

Membership fees are charged on a prorata basis. Concessions are available to those who fulfil necessary requirements. Please contact this office for full fee structure.

After acceptance, our National Office will forward a subscription account and other material to you in due course.

All Association members holding a practicing membership must be registered with the Chiropractic Board of Australia.

We look forward to hearing from you, but if you have any queries please do not hesitate to contact the SA office on 1800 018 238 or by email [caasa@adam.com.au](mailto:caasa@adam.com.au)

Yours sincerely,

Anna Ricci (SA Executive Officer)
