Dr. Paul Dillon ,BSc, BAppSc, PostgradDip, CCSP
presents

Introduction to Graston Technique—Soft Tissue Treatment

Dr Paul Dillon is a Senior Lecturer in Clinical Chiropractic. Paul was born and raised in Perth. He graduated from UWA with a BSc major in Physiology and Postgraduate Diploma in Exercise Physiology. In 1988 he graduated from RMIT with a BAppSc(Chiropractic). Completed FICS CCSP 1994. Paul has been in practice for 20 years and after working in the Murdoch Chiropractic Clinic as a clinical supervisor he then took over the role as acting clinic director prior to joining the academic staff of the School.

Paul and his lovely wife Soozi have 4 children. Paul has a keen interest in Spine Rehabilitation and Exercise Physiology. Paul has also taken on the role of Chair of our Postgraduate Programs within the School of Chiropractic and Sports Science. Completed Module 1 & 2 Graston Technique 2006 taught by Dr Tim Stark. Completed module 3 Graston technique Las Vegas 2007 taught by Dr Tom Hyde and Dr Greg Doer.
